A Note from Mariah...

Just a friendly reminder, I am the Grievance Officer for Newton Health Care. If you have any concerns, regardless of how big or small or what department they involve, please contact me directly. I will ensure they are followed up on appropriately and in a timely manner. I am here during the week 8-4:30 and can be notified by email on the weekends and off time. My email is Newton.socserv@imgcares.com. There has been some confusion in the past on who to come to, but I am here to advocate for you and your loved ones. Feel free to contact me any time!

Food Service Week!

Pride in Food Service Week is February 4-8th! We are so proud of our kitchen crew and the wonderful work they do. Combined, this crew has over 30 years of service in this facility. Every year these team members go above and beyond for our residents and pass their state surveys with flying colors. When you see them, please give them a huge pat on the back! Congratulations to Dee Jones, Amanda Bruce, Virginia McCuen, Carol Robinson, Chris Hewitt, Rachel Richardsen, Shannah Ergenbright, and Taylor Fox.
