

## **National Nurses and CNA Week 2020!**

Our Nurses and Certified Nursing Aides play vital roles in our facility. The compassion and care they provide is outstanding. These caregivers will never know how much they mean to the patients they serve. Way to go guys! We appreciate your hard work and dedication!

### **NEWTON MONTHLY MESSENGER**

National Nursing Home Week was a success! We had tons of fun taking goofy pictures, eating treats off our dessert carts, playing games, and crafting. We even won “Best Day” with our costume parade in our corporate competition! We are doing our best to keep your loved ones happy, healthy, and laughing every day!

“There is no greater happiness for a man than approaching his door at the end of the day knowing someone on the other side of that door is waiting for the sound of his footsteps.”
