RECIPE OF THE MONTH-BANANA SPLIT ICE CREAM CAKE

Prepare an 8 inch springform pan by spraying with cooking oil. Make a box of brownies according to package. Meanwhile make whipped cream by whisking 1 cup heavy whipping cream, 1/4cup sugar, and 1/2 tsp. vanilla. Beat with an electric mixer until stiff peaks form. Set aside. Add a quart of vanilla bean ice cream to the top of the cooled brownies and spread evenly. Place this into freezer until the ice cream is set, usually about an hour. When set, top with your homemade whipped cream, pineapple sauce, strawberries, caramel sauce, hot fudge sauce, and nuts. Cut cake and serve immediately!
