## Facility Updates

We are so excited now that family and friends can come in without appointment now! Our visiting hours are 8am-7pm. Just show up and we will do our best to accommodate! Since our last vaccination clinic, we are now at 82% vaccinated! The church groups, entertainers, volunteers, and outing days have also returned for activities! Family members cannot attend group activities with their loved ones yet, but we are hoping it will be in our near future. Ian Christy has become our new Administrator. When you come in for a visit, please take time to meet him. He is making much needed changes and will be great for our facility! We hoisted our new flag up on Flag Day with the help of Jake McElroy with Razor Edge Tree Service. And everyone had a good time at our Father's Day cookout. Looking forward to seeing you all more often! Have a safe and Happy July 4<sup>th</sup>!

## Virginia Humphrey turns 102!

Virginia Humphrey turns 102 on July 11<sup>th</sup>!

She was born to Andrew and Orie Carter, and raised in Unionville, Missouri with her sister and 2 brothers. Virginia recalls the day she met her husband. They were on a streetcar, 10 cents each way, where they locked eyes at the same time and fell madly in love. They married shortly after and had 1 boy and 1 girl. Together, they raised their kids and traveled all the western states. They would be married 80 years this August. Virginia was quite a worker! She started off doing domestic work for the wealthy in West DSM, making \$1.00 per day, then went on to Insurance work. She taught herself how to type and landed an important job at Travelers Insurance where she stayed 30 years! She worked very close with their home office and even won an "Employee Award". Virginia's words of wisdom are "Good, clean living, don't be afraid to work and stay out of that sun." Please wish her a Happy 102<sup>nd</sup> Birthday and many more!
